highlights :

## About Me

Hi, I'm Abinaya, currently pursuing my 2nd year B.Sc. in Data Science at Sree Raghavendra arts and science College, keezhamoongiladi, Chidambaram. I have a strong foundation in programming languages such as C, C++, Java, and Python, along with good knowledge of data structures. I've developed projects like a Chat App and a Tic-Tac-Toe game. In my free time, I enjoy reading books. I enjoy learning new technologies and applying them to solve real-world problems.

# CONCLUSION

“The Digital Portfolio effectively showcases my personal profile , academic background, technical skills, and career aspirations in an organized and visually appealing format. It serves as a professional platform for potential employers, faculty, and collaborators to learn about my abilities and achievements. The project demonstrates my knowledge of web development using HTML, CSS, and JavaScript and highlights my capability to create user-friendly and responsive designs.”

“THANK YOU”
